Glenn Page will testify that the parties agreed to a daily rate of \$1,750.00. This agreement made sense for Cleveland because Page also agreed to reimburse Cleveland for the additional cost of insurance and because Page agreed to assume the risk of non-payment by not expecting payment from Cleveland until Cleveland got paid from Hess. Page will testify that he did not pursue other opportunities that were available to him because the rate of \$1,750 per day was a good rate. Page will testify about the invoices that he submitted and the expenses he incurred. Page will testify about the discussions with Cleveland about the payment from Hess and Cleveland repeatedly telling Page that Hess had not paid Cleveland. Page will testify about why he did not accept the payments from Cleveland because they were for the wrong amount, and because Page was misled into believing that Cleveland had not been paid. Page will testify that to this day he has

not been paid the amounts that Cleveland does not dispute are owed to Page. Page has not been deposed. Expected duration: 60 minutes
